Facility information

- 1) Which species will be offered for hunting under this license?

Species	Check where appropriate
Elk	
Red Deer	
Elk/ Red Deer Hybrid	
Sika Deer	
Fallow Deer	
Eurasian Wild Boar	
Bison	

- 2) Will this CLGSA be associated with an existing Cervid Farm License? _____ YES _____ NO
- 3) Is the proposed CLGSA facility currently appropriately fenced for the proposed large game species according to 7 MRSA Chapter 202-A and 01-001 Chapter 223: _____ YES _____ NO
- 4) If you answered "NO" to question 3, please attach a written agreement for the installation of fencing, including information on fencing type and location (descriptive or mapped). This fencing plan should meet the requirements of 7 MRSA Chapter 202-A and 01-001 Chapter 223 for consideration with this application.
- 5) Please attach documentation that:
- a. Defines the proposed CLGSA land parcel (descriptive or mapped) in accordance with minimum land requirements; and
 - b. Shows that the parcel in question is owned or is under valid long-term (minimum of 20 years) lease held by the applicant
- *The minimum land requirements for a commercial large game shooting area is 50 acres for cervids and 200 acres for bison or domesticated boar, in addition to land needed to perform other management activities on the proposed CLGSA.*
- 6) Please attach documentation which shows that the parcel in question meets all municipal and/or state zoning requirements pertaining to habitat alteration and firearms discharge.

Please remit \$1000 CLGSA license application fee. Make check payable to: **Treasurer State of Maine**
Statutory Authority: 7 MRSA § 1331
